KIDS AFTERNOON TEA

CREAM TEA

Set against the majestic arches, the open-air Cotton Tree Terrace makes the perfect spot for some precious time with your pets.

Sample our Signature Afternoon Tea in the comfort of the al fresco terrace surrounded by lush greenery, and treat your furry friend to a memorable day out.

THE MURRAY AFTERNOON TEA

We invite you to indulge in the time honoured tradition of taking afternoon tea ritual within our iconic building.

Originally housing government offices,

The Murray was preserved as part of city's Conserving Central initiative.

The tower block was transformed by world renowned design and architecture studio, Foster + Partners into a luxury 336-room hotel.

Quintessential afternoon tea flavours receive a stylish makeover adopting shapes from modernism in architecture that are distinctly The Murray.

Relish square scones mimicking the hotel's iconic windows or round cocoa cookies inspired by Bahk Seon Ghi's aggregation, the monumental art-piece in charcoal by the elevator lobby on the ground floor.

A collaboration with New York-based food stylist and tastemaker Mariana Velasquez, this edible canvas is an exploration of the intersection between food, fashion, art and architecture.
